

Liv-N-Sound[®] Only From Rat-L-Trap[®]

Spectrograph from Cetacean Research Technology

Liv-N-Proof™ Independent analysis by a leading bioacoustic research lab confirms striking similarities between sounds made by live baitfish and the sounds of the Rat-L-Trap[®].

"The spectra from both schooling shad and the Rat-L-Trap are nearly identical."

Joseph Olson, President
Cetacean Research Technology

Only Genuine Rat-L-Trap has Liv-N-Sound. Learn more @ www.rat-l-trap.com
